

The Invention already benefits from commercial success, which indicates its non-obviousness.

Applicant hereby certifies that the invention, constructed exactly according to the disclosure and claims of this patent application, substantial commercial success has been derived. Thousands of visitors and subscribers have paid for and benefited from the prevention, detection, and recovery from identity theft. The locus of the invention claimed herein, and its commercial venue is found on the internet at <http://www.eprivex.com>

Applicant respectfully requests that he may introduce such other or further proof as this office deems appropriate to document the commercial success derived from the invention as herein disclosed.

Conclusion

For all of the above reasons, applicant submits that the specification and claims are now in proper form, and that the claims all define patentably over the prior-art. Therefore, applicant now submits that this application is now in condition for allowance, which action is respectfully solicited.

Conditional Request For Addendum To Drawing(s)

Applicant respectfully requests that, if so requested by the examiner, applicant may amend the drawings originally submitted with the application. Applicant respectfully suggests that this addendum is admissible because it introduces no new information. Rather, its intent is to further clarify and elucidate the subject matter already of record.

Conditional Request to Annex Computer Source Code for the Preferred Embodiment.

Applicant respectfully requests that, if so requested by the examiner, applicant may amend the the original application to include computer source code of the actual embodiment. Applicant respectfully suggests that this addendum is admissible because it introduces no new information. Rather, its intent is to further clarify and elucidate the subject matter already of record.

Conditional Request For Constructive Assistance

Applicant has amended the specification and claims of this document so that they are proper, definite, and define novel structure which is also unobvious. If, for any reason this application is not believed to be in full condition for allowance, applicant respectfully request the constructive assistance and suggestions of the Examiner pursuant to M.P.E.P. § 2173.02 and § 707.07(j) in order that the undersigned can place this application in allowable condition as soon as possible and without need for further proceedings.

Very Respectfully,

Justin Page
